

West Coast Schutzhund & Breed Club's Proposal for Hosting the 2010 Southwestern Regional Conformation Show & Breed Survey

West Coast K-9 Academy would be the venue, located at 15950 Boyle Ave. Fontana, CA 92337 on a 2.5 acre gated facility. The grass training field is 225 x 250 feet (1 acre) with a covered spectator area, patio, PA system, (1 acre) parking lot, bathrooms, etc.

Our Judge would be SV Koermeister: Andreas Rudolph October or November 2010.

The Judges Dinner would be held at a local upscale restaurant that we use many Regional & National events. We would also have a nice BBQ lunch at the club each day.

The host hotel would be the New Best Western Suits in Ontario at the discount rate of \$85 per night, located right next to the Ontario International Airport, Interstate 10/15 and 5 minutes from the club field.

WCSC is centrally located in the southwestern region approx 1 hour east of LA 2 hours south of Bakersfield and 2 hours north of San Diego.

We have 3 clubs with over 80 members (60 USA) that currently train and/or show their dogs at this facility many of them have years of experience hosting large events and are ready to assist.

WCSC has been a club in good standing since 1986. We host 5-6 annual events including: Schutzhund trials, Conformation Shows, Breed Surveys, Training Seminars, Helper Certifications, Ring Sport & Agility trials, etc. with many different organizations.

We have also have hosted many Regional & National events at our facility including:
