Dear Members of the Southwest Region Schutzhund Clubs:

Please accept my declaration of candidacy for the office of Regional Breed Warden, for the Southwest Region. I have been a member of USCA since 1984.

Experience:

- **Regional Board Positions: Breed Warden past ten years, and was Secretary 4 years.**
- **Local club positions: president, secretary, treasurer, breed warden & tattooer.**
- **Judged two affiliation conformation shows.**
- **Held Conformation Ring Training Sessions for prospective handlers.**
- **Helped organize & worked all Regional Conformation Shows for past 10 years.**
- **Helped in organizing 3 Sieger Shows & worked at several other Sieger Shows.**
- **Photographer for 10 USCA Sieger Shows.**
- **Trained 11 new breed wardens and 6 new tattooers in our region.**
- **A member of the SchH3 Club with a dog from my breeding of which I was also the handler, owner, & trainer.**
- **Titled and shown several other dogs and one dog to an FH2.**
- **Recipient of the Bronze, Silver, and Gold Sports Medals.**

I have a wide range of experience not only in conformation dogs, but also in working dogs. I feel that this is very important as a Regional Breed Warden so that both the working & show dogs are equally represented.

If I am re-elected, I will continue to service our Region, train more tattooers & breed wardens, promote more conformation shows and all other events within our Region. I will also continue to volunteer my time to USCA's Sieger Show each year and serve on the Breed Advisory Committee.
