

January 30, 2011

I have been a USCA member for over 8 years. During those years I held various positions in our local club, the Arizona Schutzhund Club. I've been trial secretary, club treasurer, secretary and subsequently became the president. I've been the president for 6 years. I have trialed at the club level and regional level as well as at the Doberman Pinscher Club of America National.

Over the years I've enjoyed the best that the United Schutzhund Clubs of America has to offer in trials, judges and helpers. Now, I would like to give a little bit back.

Prior to retirement I was the vice president of savings at Commonwealth Savings and Loan in Nebraska as well as the proprietor of my own business for several years. With that background I think I could do the job of treasurer and I would appreciate your vote.

Sincerely,
Victoria Hall
